2 Beneficiaries

Complete this section to name beneficiaries for the IRA type(s) specified above. This will replace any beneficiaries currently on file for the same IRA type(s). If there are no beneficiaries on your account, your surviving spouse will be considered your sole beneficiary. If you do not have a surviving spouse, your estate will be considered your sole beneficiary. A spouse is any individual who is your spouse under federal law. Failure to provide a percentage for each named beneficiary or if the percentages provided do not total 100% will result in equal allocation.

If a primary beneficiary dies before you, the percentages will be recalculated proportionately among the surviving primary beneficiaries, unless you instruct otherwise. Similar rules apply to secondary beneficiaries. Secondary beneficiaries inherit assets only if no primary beneficiaries survive you. Unless you indicate otherwise, T. Rowe Price will distribute to your beneficiaries on a per capita basis. You may wish to speak to an estate planner or your legal or tax advisor about your personal situation.

Inherited IRA: Some states may restrict adding beneficiaries on Inherited IRAs. Consult an attorney or the appropriate state authority.
