1 Account Information

Name	Social Security Number (SSN)
Phone	Date of Birth (mm/dd/yyyy)*

*NOTE: If you are age 70½ or older and a required minimum distribution (RMD) is needed, call for instructions. RMDs must be distributed prior to conversion.

2B Brokerage

Pending trades must be settled first. Converted assets will go into your existing Brokerage Roth IRA or a new Brokerage Roth IRA will be opened for you. Conversions are in kind. Assets are moved as is and are not sold.

Check one:

- Full conversion. (All Brokerage assets for the IRA types checked.) This includes the money market sweep account and any earned dividends. Dividends earned in the current year on the assets converted but paid in the following year to the Traditional/Rollover IRA will be converted as a separate conversion, subject to withholding, and reported on a different tax form to the IRS, unless you instruct otherwise.
- Partial conversion. Provide the specific Brokerage assets below. For Brokerage Advantage, list T. Rowe Price mutual funds here.

3 Income Tax Withholding

This request is subject to federal income tax withholding unless you elect not to have withholding apply. If your address of record is within a mandatory withholding state, state taxes will be withheld from your distribution in accordance with the respective state rules. **If you do not check a box, we will be unable to process your conversion.**

Check one (required):

- I **do not** want federal income taxes withheld from my conversion. I understand that I am responsible for payment of estimated tax and may incur penalties under the estimated tax rules if the withholding and estimated tax payments are not sufficient.
- I want federal income tax withheld and understand that the withholding will be done at a rate of 10% unless a withholding percentage greater than 10% is specified to the right. I also understand that the amount withheld may be subject to a premature distribution penalty. %

4 Systematic Plans (not applicable to SEP-IRAs or SIMPLE IRAs)

For a new Roth IRA, all services on the IRA you are converting will be carried over except systematic plans. If requesting a full conversion in the same mutual funds, systematic contribution plans will not continue unless you check a box below. Systematic contribution plans of partial conversions or conversions that do not use the same mutual funds, systematic distribution programs, and IRA Asset Rebalancing will not carry over to the Roth IRA. Complete a new *IRA Asset Rebalancing* form or *IRA Distribution* form.

- Continue my systematic contribution plan in my new Roth IRA.
- Continue my systematic contribution plan in the IRA from which the assets are being converted.

2 Conversion Instructions

You cannot convert and reconvert an amount during the same tax year or, if later, during the 30-day period following a recharacterization. If you reconvert during either of these periods, it will be a failed conversion. Conversions that include all or a portion of a current day contribution will receive the next available trade date. **Effective January 1, 2018, pursuant to the tax reform bill, a conversion from an IRA to a Roth IRA cannot be recharacterized.**

Check IRA Type(s) to Convert:

- Traditional IRA Rollover IRA SEP-IRA SIMPLE IRA

Use a separate form for each IRA type if the conversion instructions vary.

5 Beneficiaries

Complete this section to name beneficiaries for the IRA type(s) specified above. This will replace any beneficiaries currently on file for the same IRA type(s). If there are no beneficiaries on your account, your surviving spouse will be considered your sole beneficiary. If you do not have a surviving spouse, your estate will be considered your sole beneficiary. A spouse is any individual who is your spouse under federal law. Failure to provide a percentage for each named beneficiary or if the percentages provided do not total 100% will result in equal allocation.

If a primary beneficiary dies before you, the percentages will be recalculated proportionately among the surviving primary beneficiaries, unless you instruct otherwise. Similar rules apply to secondary beneficiaries. Secondary beneficiaries inherit assets only if no primary beneficiaries survive you. Unless you indicate otherwise, T. Rowe Price will distribute to your beneficiaries on a per capita basis. You may wish to speak to an estate planner or your legal or tax advisor about your personal situation.

Inherited IRA: Some states may restrict adding beneficiaries on Inherited IRAs. Consult an attorney or the appropriate state authority.

- I understand that T. Rowe Price mutual fund (Fund) accounts are maintained and serviced by T. Rowe Price Services, Inc. (TRPS), and Brokerage accounts are offered by T. Rowe Price Investment Services, Inc. (TRPIS) (collectively, "Price"). I authorize Price to convert my IRA to a Roth IRA as directed by me in Section 2.
- I agree to be bound by the terms of the prospectus for each Fund in which I am investing and, if this is a Brokerage account, the Account Agreement outlined in the Brokerage/Brokerage IRA Account or Brokerage Advantage Account Handbook previously received, which are incorporated by reference herein. If I do not understand any provision therein, I will notify TRPIS. I have the authority and legal capacity to establish an IRA and to purchase mutual fund shares and other securities. I am of legal age in my state.
- I acknowledge that I am responsible for determining the nature, potential value, and suitability for me of any particular security, transaction, or investment strategy and that Price does not give legal or tax advice regarding particular investments, including advice involving suitability of, and investment strategies for, particular investments.
- If I am establishing a Roth IRA with Price for the first time, I received and read the T. Rowe Price Traditional and Roth IRA Disclosure Statement and Custodial Agreement at least seven days prior to the date I signed this form, and I agree to the terms and conditions contained within those documents. I understand these documents may be amended from time to time.
- I understand that the services on the IRA I am converting (including the dividend reinvestment and phone/computer services and systematic contributions if authorized in Section 4) will be duplicated on this Roth IRA. If I do not want these services, I will contact Price to terminate these services. With respect to those services, I authorize Price and its affiliates and agents to act on any instructions believed to be genuine, including phone/computer services. The Fund and Price use reasonable procedures to verify the identity of the shareholder and the person(s) granted trading privileges, if applicable, when servicing an account by phone.
- I understand that it is Price's policy to accept transaction instructions from and provide account information to the registered account owner(s) only, unless the account owner(s) has provided authorization to Price, in a form acceptable to Price, to grant trading privileges or to provide (or permit access to) account information to another person. I further understand that it is my responsibility to monitor the activity in my account and not to provide account information, including my online user name and password, to anyone. Price, the Fund, and their agents are not liable for any losses that may occur from acting on unauthorized instructions. All services are subject to conditions set forth in each fund's prospectus.
- I understand that, to minimize Fund expenses, it is Price's policy to send only one copy of the prospectuses, shareholder reports, and other documents (except account confirmations and statements) to all Fund shareholders residing at the same address. I also understand that this applies to all existing Fund accounts I may open in the future. I consent to this policy and understand that I do not need to take action. If I do not consent, I will call Price after my account is opened.
- I understand that if my account has no activity in it for a period of time, Price may be required to transfer it to the appropriate state under abandoned property laws.
- **I certify that my Social Security number provided on this form is accurate. The IRS does not require your consent to any provision of this document other than the certifications that the Social Security number provided is accurate.**
